 **400 SERIES**

INTRODUCING THE

# TILT-WASH DOUBLE-HUNG INSERT WINDOW.

**COMING SOON!**  
Available April 1, 2011

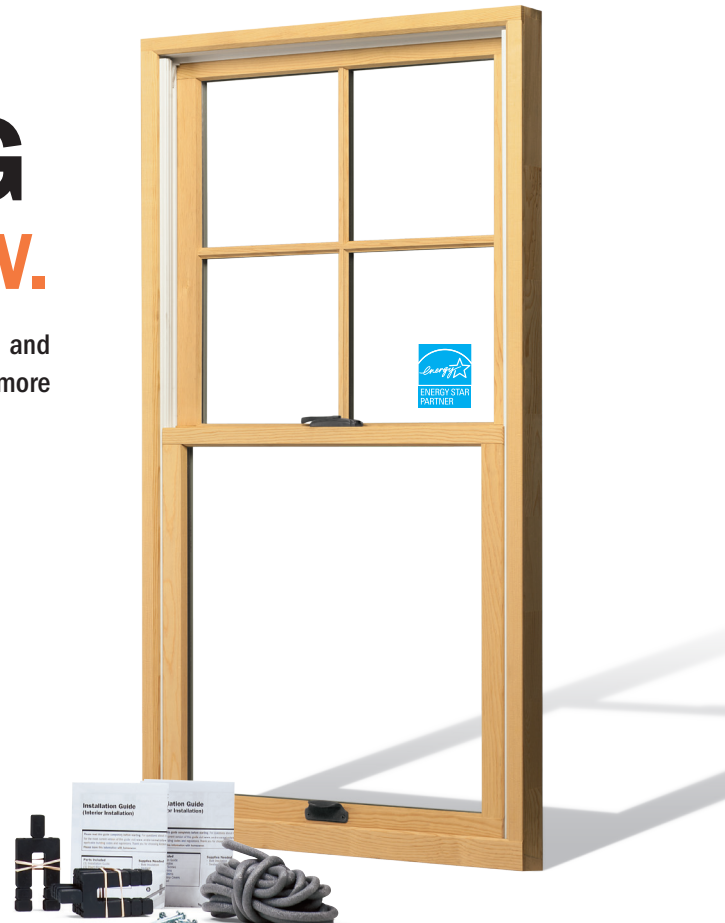

Now, the double-hung window that set the standard for performance and durability comes fully prepped for quick, easy replacement. No one is more committed to giving you replacement solutions than Andersen®

### QUICKER, EASIER INSTALLS

- Pre-drilled, through the jamb installation holes for quick and easy installation
- Available with 0°, 8°, or 14° sill angles to closely match existing sills
- Exterior stop covers included with each window to provide a clean transition from new window to old trim

### CONFIDENCE IN YOUR WORK TODAY AND TOMORROW

- Compressible jamb liner provides a protective seal between sash and frame
- For consistent quality installation an install kit is included with each window
